I am Muhammad Rangga Saputra Graduate of Software Engineering in 2021 and now I am a student of Universitas Muhammadiyah Prof. Dr. HAMKA (UHAMKA) majoring in informatics engineering. I am a passionate individual with a strong interest in graphic design, UI/UX, and web development. I thrive in creative environments where I can utilize my skills to design visually appealing and user-friendly experiences.

With experience in various design tools and programming languages, I am well-equipped to contribute to diverse projects. Along with my strong teamwork and meticulous work ethic, I am confident in my ability to contribute effectively to any project.

EDUCATION

Universitas Muhammadiyah Prof. Dr. HAMKA

2021 – Present

S1- Teknik Informatika

GPA: 3,67/4.00

- Active in the Uhamka Choir student activity unit
- Participated in the Tech Projecting 1.0 Spirit 13 program
- Contributing to the Comparative Study Work Program with Trisakti University

SMKN 12 Jakarta

2018 – 2021

Software Engineering (RPL)

NA: 87,23

- Chairman of the MPK organization 2019-2020
- Active as IT Club UI/UX design speaker

INTERNSHIP EXPERIENCE

Web Development

January 2022 – April 2022

PT. Persatuone Komoditas Indonesia

www.persatu.one

- Successfully designed and developed a dynamic and visually appealing website for persatu.one using WordPress. I focused on creating a modern and professional design that aligned with the company's branding and goals.
- Implemented a user-friendly interface with intuitive navigation, ensuring that visitors could easily explore the website and find relevant information about persatu.one's products and services.
- Collaborated with the persatu.one team to gather requirements, understand their specific needs, and incorporate their feedback throughout the development process. This fostered effective communication and ensured that the final website aligned with their vision.
- Conducted thorough testing and quality assurance checks to identify and resolve any issues or bugs, resulting in a smooth and error-free website launch.

Human Resources Assistant

July 2019 – September 2019

PT. Berlian Abadua Satu

- Assisted in the recruitment and selection process by creating job postings, screening resumes, and conducting initial interviews.
- Assisted in maintaining accurate records of employee overtime by diligently recording and documenting daily overtime requests.

- Demonstrated attention to detail when preparing the monthly attendance report, ensuring accuracy and reliability of the data presented.
- Maintained confidentiality and data privacy while handling sensitive employee information related to attendance records and overtime compensation.

ORGANIZATION EXPERIENCE

Unit Kegiatan Mahasiswa (UKM) UHAMKA Choir 2022 – 2023

Humas & Inventaris

- Responsible for internal and external relations.
- Handle social media accounts for the UHAMKA Choir, and provide information and create graphic designs for content on social media.
- Make an inventory report of UHAMKA Choir items.
- Responsible for handling the jobs received by the UHAMKA Choir.

MPK (Majelis Permusyawaratan Kelas) 2019 – 2020

Chairman

- Lead the MPK team and act as the main student representative, voicing their concerns, suggestions and ideas to the school.
- Conduct regular MPK meetings to discuss relevant issues, plan and coordinate student activities.

ACHIEVEMENT

- **FLS2N** 2019
1st winner in the category of “Musikalisasi Puisi” in the North Jakarta region.
- **TNI Marching Band Cup 2019** 2019
1st winner in the category of “Field Commander”.
